I would like to share here my experience during our visit to Indore, Ujjain & Om Kareshwar which was organised by Margika Yatra last week. I didn't expect such a wonderful way they had arranged our boarding & lodging along with temple darshans with VIP treatment. I have now planned to do a tour of Odissa & far east through their services. Owner of the organisation was our guide throughout our tour. I being a Senior Citizen didn't find any problem through out my tour. I suggest this group will take care of us without any problem. May GOD bless them and their organisation for a bright future.

The Margika Yatra to Ujjain was an excellent experience. The planning was seamless, ensuring a smooth and hassle-free journey throughout. The food arrangements were good in quality, and the services provided were absolutely worth it. Overall, a well-managed trip that made the spiritual experience even more special.
